## IRIS OF QUALITY

## Stock Reduction Sale

We are moving our Iris collection to Toronto, Ontario. In order to reduce stock we have decided to give our friends and customers the benefit of these extremely low prices. It will pay you to compare these with other price lists.

Cash with order, please. No order accepted for less than \$2.00.

Order at once. We will not substitute, but if you order a variety preceded by \*, please indicate a second choice as the supply of these is quite limited.

Prepaid delivery—but only during August. Please do not ask us to deliver at any other time.

No descriptive catalog will be issued in 1929, but a few copies of our 1927 and 1928 catalogues are available and will be sent to those who especially request them.

## OUR OWN INTRODUCTION

Golden Glory (Jackson, 1927). We now have a sufficient quantity of this 1927 introduction to justify a very attractive price. An Afterglow x Shekinah seedling. A yellow self, tall well balanced, deeper in color and superior to Shekinah, which is at present the most popular inexpensive yellow. Golden Glory is a rampant grower with the foliage and vigor of Afterglow. Award of Merit, Am. Iris Soc., 1926. Each—\$5.00
